Educational Philosophy

Founded in 1986, Mount Pisgah Christian School's mission is to provide an outstanding college-preparatory education grounded in Christian faith and values.

Located in the greater Atlanta area, Mount Pisgah is an independent, coeducational day school serving students from age six weeks through 12th grade. The school offers a learning environment that challenges, nurtures and strengthens students intellectually, spiritually and physically. Our students are encouraged to participate in extra curricular activities in order to develop the whole person as a contributor to a thriving school community.

Mount Pisgah's Upper School was established in 2001. Academic, artistic and athletic excellence, along with the spiritual and interpersonal growth of young people, are central to our mission. An active advisory program, honor code and service learning program instill values of respect, honesty and good character.
