CHRISTIAN SCHOOL

Thank you for visiting our Preschool!

Following your tour of either the Preschool Half Day or Preschool Full Day, please follow these steps to apply:

1. For families with enrolled students, use your previously created online application account login information to create/submit an online application.

New families will have to create a new online application account. The online application can be found on our website – mountpisgahschool.org, once on the website click on the Admissions tab, choose Apply and then choose “Preschool Registration Steps”.

2. After submitting an application, you will receive a follow up email to communicate whether or not we are able to place your child in the requested preschool class.

3. Once it is determined there is a space for your child you will receive an email with instructions to complete your child’s enrollment and set up your FACTS account.

4. The Preschool will confirm your child’s class placement and start date.
